TITLE: The Louvre Museum visit.

I have been learning about France and I would really like to visit Louvre Museum. The Louvre Museum holds many different kinds of art. There are paintings, sculptures and artifacts. There are different artists from different countries. Davinci; is my favourite artist at the Louvre. There are artifacts from ancient times. Walking through the Louvre is like walking through time. There are even weapons and ancient tools on display. You can learn a lot about history from art. The Louvre is a interesting building. It used to be a palace now it is a public museum. Some of the artwork belonged to Louis XIV who was king of France. The Louvre is a interesting building. It used to be a palace now it is a public museum. Some of the artwork belonged to Louis XIV who was king of France. I hope one day I can visit the Louvre Museum and see everything like the Mona Lisa.

TITLE:

You can visit the Eiffel Tower. It takes a lot of year to bult and is one of the world's most famous towers. I think it would be cool to see. The second floor of the Eiffel Tower has shops, restaurants, and displays about how the tower was built. The first floor has a see-through floor and ice-skating. Fireworks makes the Eiffel Tower look like a rocket that's ready to take off I think that is cool. The Eiffel Tower doesn't always look the same, workers paint it every seven years, and sometimes the color changes. The tower has been dark red, dark yellow, and brown at different times. The Eiffel Tower is one of Paris's most famous attractions. It is the best spot in Paris!!! I hope I can go there someday.

Ellie

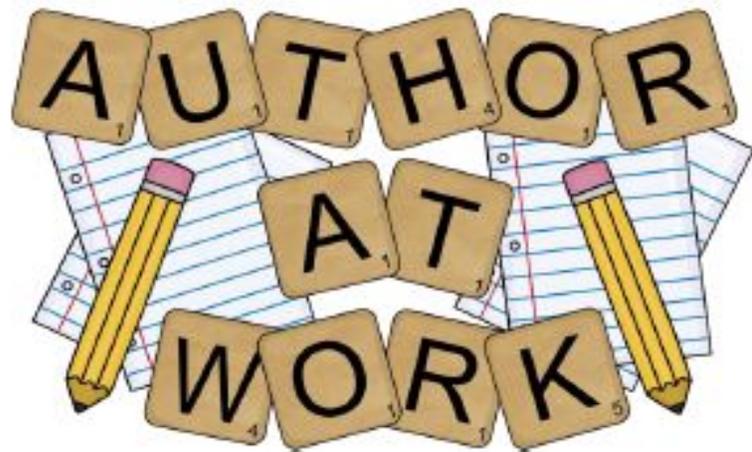

TITLE: I like to think of things in france

I can not believe that Eiffel tower is so famous. Why is Eiffel tower famous in the first place? Is Eiffel tower taller than cn tower? Why did 4 men wanted to build Eiffel tower in the first place? I hope you visit Eiffel tower you might find a rind up and back down you might find.

Visiting Paris

I have been learning about France and I would really like to visit Paris. The capital of France is Paris. Paris is super clean and beautiful. They make awesome food and the best cheese. The Eiffel tower is in paris. It is an amazing structure. It is lit by 20,000 lights every night. It has 1665 stairs It is 1024 feet tall. There is a big Disneyland in Paris. There are a lot of rides for kids and many different shows. There is a scary tower too. Fireworks are the best. The Arc of triomphe is a very big arc. It honours all the soldiers who fought. Under the arc, lies the tomb of an unknown soldier. Beside the tomb is the flame of remembrance which is rekindled every morning at 6:30 am. Paris is an awesome place.

Disneyland

France is a wonderful country to travel and Disneyland is my most favorite place to visit. Disneyland is a fun place. I will be very excited when I visit It's a Small World, take a ride of the roller coaster and swing in the pirate ship. The fireworks are fantastic. It is so enjoyable to see lots of fireworks with different colors and shapes in the dark sky. I love to take pictures with Disney characters. It's great to take pictures with popular characters like Mickey Mouse, Donald Duck and Goofy. I wish I could have a trip to France soon.

TITLE: I really want to visit the Eiffel tower.

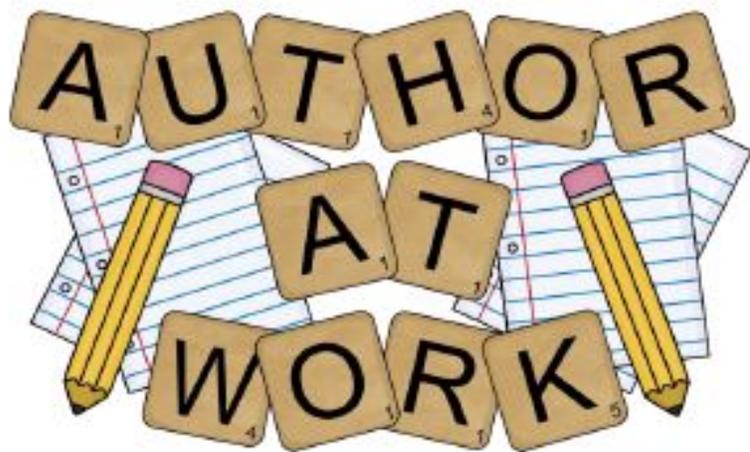

Really old room. On the top of the Eiffel tower,
there is a cute little room that was used to work.

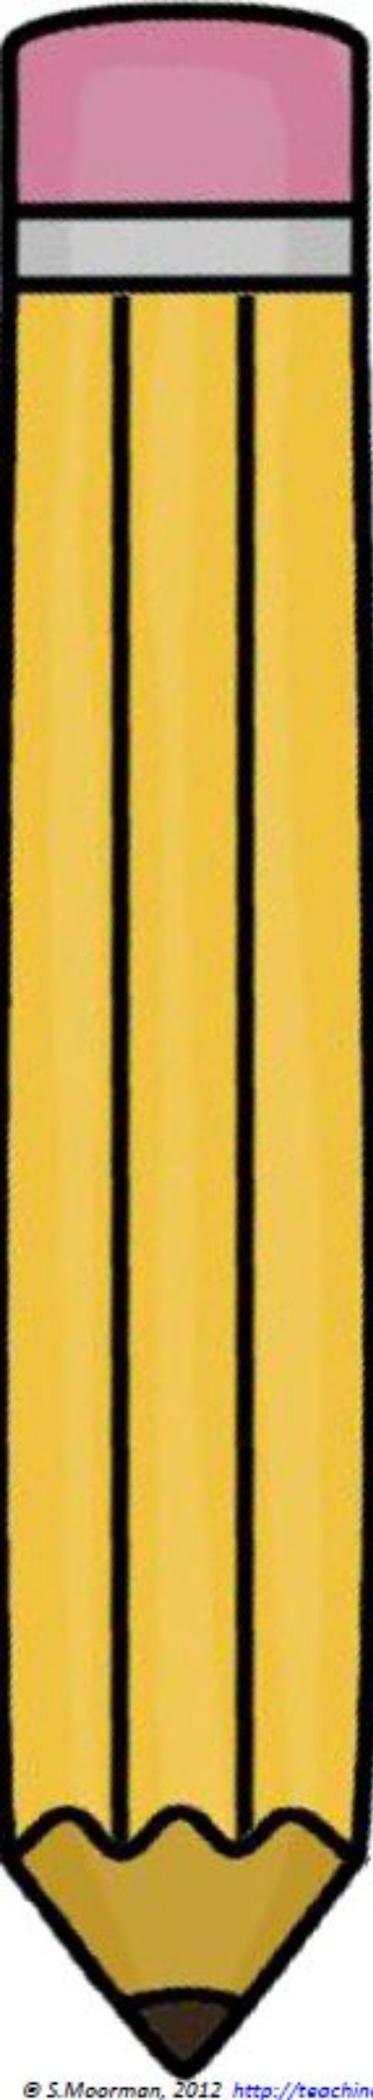

~~climbing steps. the Eiffel tower has a billions of steps
to walk on it's tiring.~~

Up up up above. Like the CN tower (in toronto) the
Eiffel tower in france, you can see all over paris.

The Eiffel tower is a famous landmark in france.

TITLE: research about france

We have been learning about France and I would really want to visit Paris after Covid-19 is gone. I would like to visit Paris because it has some of the world's best restaurants. Are there macarons in the restaurants, and do you like eating Macarons? Another reason I like Paris is because I like eating all kinds of cheese. I heard that France had made more than 350 types of cheese, am I correct? I heard that the Eiffel tower is a very tall tower and it took 20 years to build. Have you visited the Eiffel tower. Did you know in Toronto there is also a very tall tower called the CN tower. Which tower do you think is taller the CN tower or the Eiffel tower. would like to visit Paris after Covid -19 is gone.

Mason

TITLE: Lyon

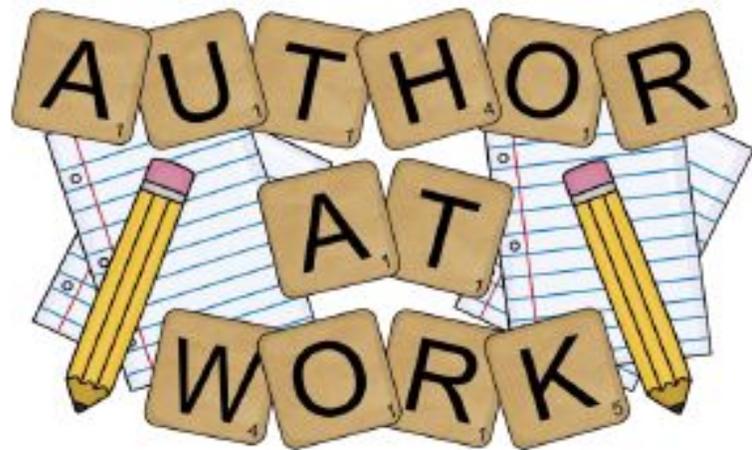

This week we have been learning about France. I would like to visit Lyon.

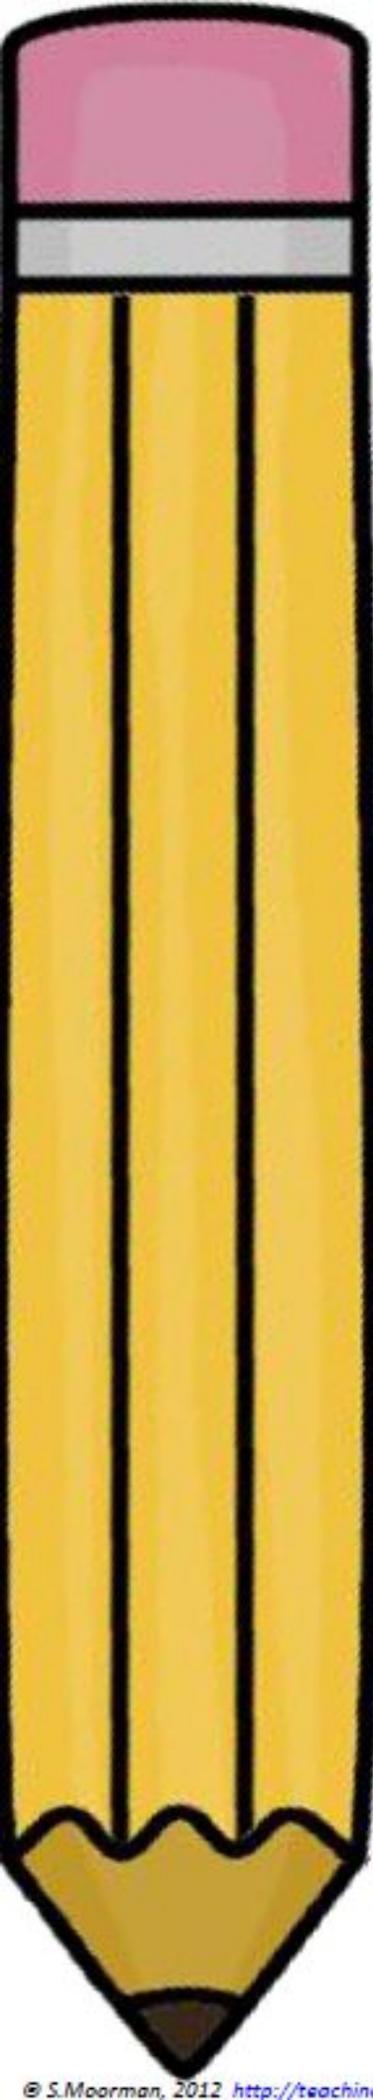

I learnt that you can travel through the city with the tunnels. I really want to do that if I go to Lyon. I like lions but lion statues throughout the city is so cool!!!

I love geography, but I do like history and cool, historic cathedrals are awesome. Have you ever been there?

I would love to go to Lyon!!!!!!!!!!

Jasper

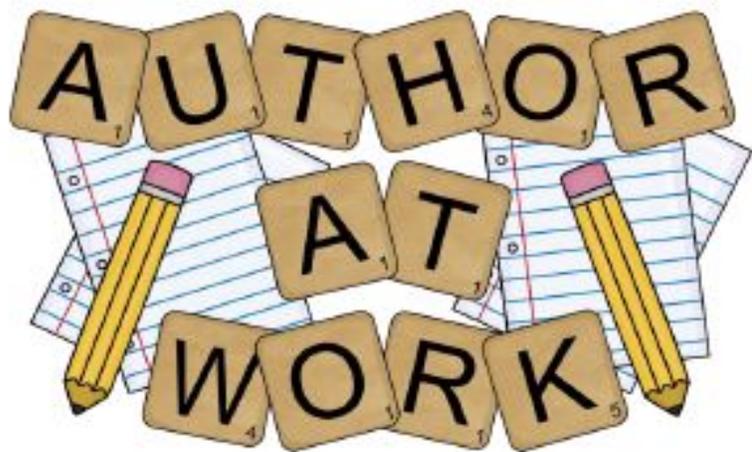

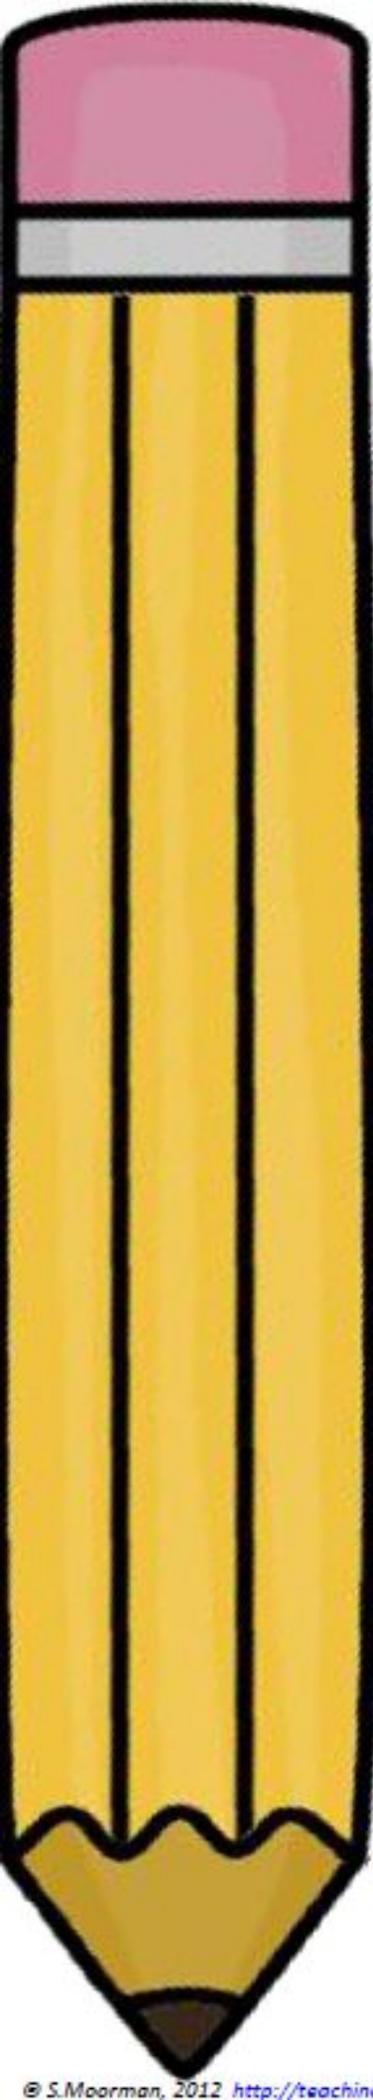

Best Paris

We have been learning about France and I would really like to visit Paris. The exquisite Eiffel Tower is the landmark of Paris. That's sooo cool and SO IMPORTANT! That street, complete with cafes, is the landmark of cultural aspects. And the Arc de Triomphe is probably the coolest part. You know, France is the best in all aspects. So it must be fave-worthy to be the capital city of somewhere like THAT.

TITLE:

We have been learning about France and I would really like to visit the Eiffel tower. The tower is very tall so there must be a beautiful view from up there and you could see all the beautiful lights and streets. It would be really cool to be on a tower that was built in 1889 and with a bunch of people on it. It looks very stable. The Eiffel tower is so tall you need an elevator to get to the top and beautiful lights light up every hour after six o'clock at night and a man used to live in the Eiffel tower. That is why I want to visit the Eiffel tower.

TITLE:visiting Disneyland paris!

We have been learning about France and I would really like to visit Disneyland in paris!

There's Roller coaster! It is very fast and it goes up and down and even do a loop and you won't fall down. Starwar fighting indoor. I never ever used a weapon that glows up in the dark. The tower of Terror! I want to go to the tower of terror because allusions that if you get further and further the door gets smaller and smaller. I hope I get to visit Disneyland one day at the weekend when have time!

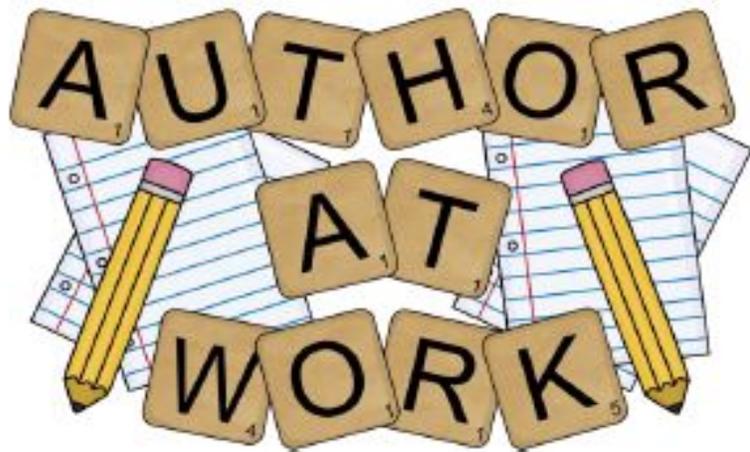

Ethan

TITLE: The Eiffel tower

We have been learning about France, and I would really like to visit the Eiffel tower! First, I am very interested in visiting the science lab In the Eiffel tower. I learned that Mr. Eiffel wanted to make the Eiffel tower more useful so he put a science lab in the tower. I am curious to see what's in the lab. Secondly, the Eiffel tower doesn't always look the same. Every seven years workers come to paint the Eiffel tower. Thirdly, at night the Eiffel tower lights up every hour for five minutes. I definitely think it looks beautiful and magical. I hope I get to see it in person one day and if I did I would like to take so many pictures of it. The Eiffel tower does sound amazing and I hope I get to visit it someday.

TITLE: The Eiffel Tower

I was learning about France and I really want to go to the Eiffel Tower. The one and only Eiffel Tower is so H-I-G-H that if you go to the top you'll be able to see aeroplanes so clearly! On the Eiffel tower you'll get an AWESOME view of Paris. PERFECT for Photography! On the Eiffel Tower You can stay outside and it will be cold or chilly and you can go in bars and stuff and there it will be warm. So both choices! This is why I want to go to the Eiffel Tower!!!

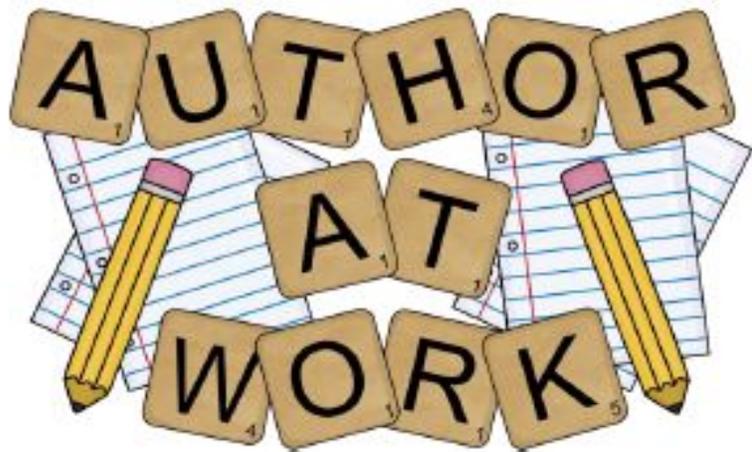

Aaryan

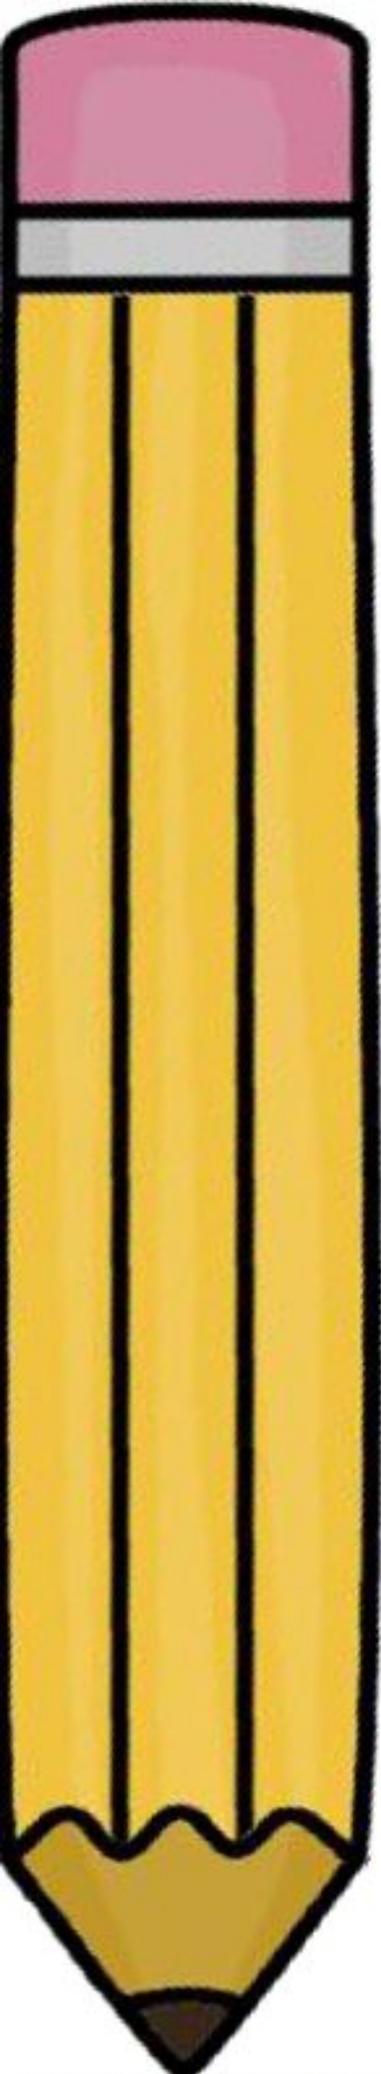

The Eiffel Tower

We have been learning about France for the past week and I would really adore to visit the Eiffel Tower! I read that the Eiffel tower looks absolutely glamorous while it sparkles in the sky at night. I wonder if a person would be on the Eiffel Tower while it sparkles, and if you can even see that person? Maybe he would look like a little star! I think it is cool that every seven years the Eiffel Tower is painted a different color! I wonder how much time it takes to paint all of it? This is why I would love to visit the Eiffel Tower one day!
