

Groupe rouge

Un terrain rectangulaire a un périmètre de 200 m. Sa largeur représente le quart de sa longueur.

Quelles sont les dimensions de ce terrain ?

Réponse : L = 80 m et l = 20 m

A 10x10 grid of circles containing various symbols. The symbols include:

- Keys (top-left and top-right corners)
- Circles with dots (middle-left and middle-right)
- Circles with horizontal lines (left and right sides)
- Circles with vertical lines (left and right sides)
- Circles with diagonal lines (bottom-left and bottom-right)
- Circles with a small circle inside (bottom-left and bottom-right)
- Circles with a question mark (bottom-right)
