

christmas lights

Christmas, another fight
Tears wea flood
Got all kinds of in
..... in my

I took my
To Oxford
Trying to a wrong
« Justaway »
Those say
But I can'tshe's gone

When you're still for the to fall
Doesn't really like Christmas at all

Up candles on air flicker
Oh flicker and float
But I'm up here on
To all those chandeliers of

Like drunken Elvis
I go out of
..... how I always you darling
And I always

Oh when you're stillfor the to fall
Doesn't really like Christmas at all
Stillfor the to fall
It doesn't reallylike Christmas at all

Those Christmas
Light up the
Down where the and city
May all yoursoon be gone
Oh Christmaskeep shining on

Those Christmas
Light up the
Maybe they'll her back to me
Then all my will be gone
Oh Christmas keep shining on

Oh Christmas
Light up the
Light up thein me
May all your soon be gone
Oh Christmas keep shining on
