Reality by Richard Sanderson

..... you by surprise, I that my life
for ever

..... you standing there, I I'd care
There something special in the air

Dreams my reality, the only kind of real fantasy
Illusions are a common thing, I to live in dreams
It as if it's meant to be
Dreams are my reality, a different kind of reality
I dream of loving in the night and loving all right
Although it's only fantasy

If you, honey,, show me your new way of loving
Tell me that it's true, me what to do
I something special about you

Dreams my reality, the only kind of reality
Maybe my foolishness is past, and maybe now at last
I' how the real thing can be
Dreams are my reality, a wondrous world where I to be
I of holding you all night and holding you seems right
Perhaps that's my reality

..... you by surprise, I that my life would change for ever
Tell me that it's true, feelings that are new
I feel something special about you

Dreams my reality, a wondrous world where I like to be
Illusions are a common thing, I to live in dreams
Although it's only fantasy
Dreams are my reality, I like to dream of you close to me
I dream of loving in the night and loving you seems right
Perhaps that's my reality.
