

SHARKS BY IMAGINE DRAGONS

Trouble

Blood is in the rocky waters

Hide away your sons and daughters

Eat you alive

Levels

Better put your head on swivels

Dancing with the very devil

Butter to knife

You think you're better than them

Better than them

You think they're really your friends

Really your friends

But when it comes to the end

To the end

You're just the same as them

Same as them (ha ha ha ha ha)

So let it go, let it go

That's the way that it goes

First you're in, then you're out

Everybody knows

You're hot, then you're cold

You're a light in the dark

Just you wait and you'll see

That you're swimmin' with sharks

He's comin' to get you

(Chick, chicka) Woo, woo

He's comin' to get you, get

(Chicka) Woo

Bubbles

Drownin', you're seein' doubles

Don't you let 'em see your struggles

Hiding your tears

Crisis

Take advantage off your niceness

Cut you up in even slices

Prey on your fears

CHORUS

He's comin' to get you

(Don't take it from me) Woo, woo

(My blood is pumping) He's comin' to get you, get

(Don't take it from me)

(My blood is pumping) He's comin' to get you

(Don't take it from me) Woo, woo

(My blood is pumping) He's comin' to get you, get

(Don't take it from me)

Every time my heart is beating, I can feel the recipe

I wonder if my day is coming, blame it on the entropy

My blood is pumping, I can see the end is right in front of me

Don't take it from me, I could be everything, everything

(Sharks)

Don't take it from me

My blood is pumping, my blood is pumping (sharks)

Don't take it from me, I could be everything, everything

CHORUS
