

1ERE S4

It means it is our 2nd year in Highschool.

We are 16 to 17 years old. S means scientific curriculum. We have more maths, physics and biology than the others. We are 34 students in our class.

We are the 4th class.

Sports pratiqués au lycée/ Sport in the Highschool

Dans notre classe, en EPS, nous sommes réunis avec deux autres classes mais nous sommes divisés en quatre groupes selon nos programmes, qui contiennent chacun trois sports (un par trimestre). Il y a comme programme :

- Musclation, course et badminton ;
- Badminton, musclation et sauvetage (natation) ;
- Course, musclation et volleyball ;
- Danse, musclation et badminton.

En plus des sports pratiqués dans notre classe, au lycée on peut faire de l'accrolym, handball.

Les lieux où ont fait les sports sont répartis en plusieurs endroits proches du lycée.

Le stade de la Madeleine, le gymnase Collinot, le gymnase de Rivaud, le gymnase et la piscine Joël Potreau (des pompiers).

Projects :

The DNA School : in biology, we did experiments on the bacteria and the antibiotics during two days in October.

Highschool students to the cinema : We will see 3 films during the year: « Mr Smith goes to Washington » directed by Capra , « Jaws » directed by Spielberg, and « Mustang » directed by Ergüven.

Theater project: We did a play with a company from Poitiers called the « Compagnie Sans Titre ». We did 2 shows at the M3Q

Options :

- In our class, students do various options. 4 students learn Latin, 3 hours a week and it's about language and Roman civilization. 17 students take Euro classes in Spanish, 2 hours a week and it consists in doing sports in Spanish or have more Spanish lessons, depending on the week.

TPE :

- TPE is an acronym for *Travaux Pratiques Encadrés*. It's a test for the *Baccalauréat*, the final test in French Highschool. We have to choose a subject and work on it for 4 months. We present our project in February or March. In the scientific classes, we must do at least one experiment.
